Thursday Morning May 4 1824

Dear wife; I have just ~~just~~<sup>now</sup> finished copying  
Lady Procter's Note to me concerning the  
personal gift of 100 £ you'll see by my reference  
in the answer to this Note that she had before  
given 200 £ to the same. — What a proof  
of generosity! Still she enquires you see  
about other means and opportunities of  
helping us! — Was ever any thing like it.  
Surely this of the Lord's doings and it is  
marvelous in our eyes. "O praise the  
Lord for his goodness: and declare the won-  
ders that He doeth for the Children of  
men."

Now I charge you Dear Wife to get our  
Dear Sisters & all that can write a fair  
hand in the family to take copies of this  
correspondence and inclose them to the persons  
named on the back of this paper & to any others  
you think fit. adding that it my sincere wish  
that some subscriptions may be set on foot in  
America to aid this great & good cause. It seems  
a pity that good people here should be thinking  
so much of extending the primitive Chh in  
the west as the settlements proceed towards  
the setting

setting men while our own people do little  
or nothing!
